Dear Valued CHAMPION FOR CHILDREN Sponsor,

Thank you for your consideration as Sponsor for the 27th Annual Champion for Children (C4C) Conference on March 26-27, 2026, in Abilene, TX. Our theme this year is **"Home Run For Hope"**. Our mission is to design a 2-day conference to energize and mobilize people to put into action ideas that will improve the lives of abused children in our communities and to provide leadership on child abuse issues.

We are celebrating our 27th year of the C4C conference which serves as a kickoff for Child Abuse Prevention month in April. During these times of dramatic cuts to the federal budgets, some conferences are forced to shut down. In addition, travel and training budgets are being reduced or cut completely. We are honored and grateful for the support of our partners and corporate sponsors and continue to seek and secure additional sponsors and foundations, to allow us the opportunity to be non-reliant on federal government dollars for our ongoing success of training professionals who advocate for children.

The interdisciplinary conference will explore key themes related to resiliency in children and their families. Our conference will be of interest to: Law Enforcement; Clinicians; Nurses, Social Workers; Educators; and Family, Youth, and Community workers and volunteers

As part of our efforts, we host a luncheon to recognize individuals and businesses that make a positive difference in our area. In 2005, the Champion for Children award was created to provide an opportunity for the community to come together and honor the often-unsung heroes who strive to help children overcome trauma and reclaim their lives. The award celebrates the life changing work of professionals in our community.

Champion for Children Conference is a grassroots organization of collaborative entities and does not have an independent 501 (c) (3), a W-9 is available upon request. We would like to thank you for considering our request to become a Champion for Children Sponsor. If you have any queries regarding our organization or the event being organized, please feel free to contact me at (254) 433-2628, or the email given above.

Yours sincerely,

**Demory Cowell**
